

Term 1 Newsletter 2026/2027:

Hello and welcome to the new academic year 2026-2027!

We especially welcome our junior infants and their parents to St. Josephs and we look forward to getting to know you better during this term.

It would be completely remiss not to begin by congratulating the **Mayo Team** on their All-Ireland win and to say that we are all looking forward to seeing **Tommy Conroy**, our past pupil, along with manager Andy Moran and the lads make an appearance with 'Sam' at some point during the year.

Over the summer we also had the amazing success of **Cong Food Village** and we thank everyone who made this happen including members of board of management, parent's association, staff members and many others who gave of their time and contributed enormously to make this the wonderful event that it was.

The final term from last year was a very busy one with school tours, 6th Class graduation and Sports Day. My thanks also to Fr. Declan who facilitated all of our sacramental celebrations ably assisted and attended to by the pupils, parents, staff and teachers of the classes involved.

As with our starting infants we also remember a wonderful group of pupils in 6th class and we wish them the very best on their journey into second level. Our school reopens on the morning of the 27th August with a reminder that pupils are to be in by 8:50 with doors open at 8:40. Take care and we look forward to seeing there.

Múinteoir Micheál.
