ROLL NO: 13686L

Dear parents/guardians,

Welcome to St Joseph's NS.

This is the beginning of a new journey that will see the making of new friends and the building of new relationships. It will also involve the acquisition of new skills related to sport, artistic abilities and learning that will take place across a variety of new and exciting subjects. Enrolment for this year takes place on Tuesday 18th February from 1:30 to 3:30pm.

This year we are pointing parents to our school website where under the tab Enrolment parents can find a listing of the various enrolment-related policies such as Healthy Eating, Code of Behaviour, Anti-Bullying, Data Protection, Acceptable Use Policy etc.

We look forward to meeting you all on the day and indeed welcoming you into our school later in the year.

Kind regards,

Múinteoir Micheál.
